## Education

October 2022 - April 2023

### **University of Oregon, Eugene, OR**

I'm currently enrolled in a full stack web development bootcamp hosted through the University of Oregon, the program finishes up in mid April and I am well on track to finish the course. This course is online so I've become very used to communicating remotely with people for many hours at a time.

September 2010 - June 2012

### **Portland Community College, Portland, OR**

I took some time out of highschool to take some trial courses and get some prerequisite work out of the way before changing directions.
